Mr. TOPLEY has noted that ten years earlier a well was sunk (with a bore of 20 feet) near the stream just east of the Grammar School, 25 feet below the level of the latter, with the following result:—

? Lower Tunbridge Wells Sand 8 } 58 feet.
Wadhurst Clay. Blue marl ... 50 }

c.d. + c.255

There are two wells at Cranbrook School, both disused.
